Aseptic Pharma Container with Magnetic Stirrer for Black Forest Container Systems, LLC

Greenville, SC, July 2021: Black Forest Container Systems, LLC, is proud to announce the new addition to their portfolio: Aseptic Pharma Container with Magnetic Stirrer. Developed for specialty product applications in the pharmaceutical industry, this Aseptic Pharma container with the magnetic stirrer comes ready for blending of valuable products. This design is offered with the stirrer in various sizes to suit every application. “Our years of experience working in many markets offering stainless steel packaging, allows us to offer the leading edge to the Pharmaceutical Industry with this new package.” said Tom Leftwich Co-Owner of Black Forest Container Systems. “Our goal is to provide a quality product that will process invaluable products to the detail required under their guidelines.”

Enhancements include:

- **Sizes:** 1.4 Liter – 54 Liter
- **Range of Applications:** blending of Pharmaceuticals, Ultra High Purity liquids, Corrosive materials, Hazardous materials
- **Specifications:** T- 316L, gap-free welded Double jacket over the cylindrical part of the vessel
Central flange DN 100 as Tri-Clamp with: OUT Dip tube with Tri-Clamp dispensing nozzle
GAS Pressure nozzle with Tri-Clamp Surface completely electropolished with minimal roughness
Gaskets made of EPDM (Silicone, PTFE or Viton) -1 to +5 bar admissible pressure Pharma compliant documentation
- **Developments:** mobile trolley of stainless steel with an integrated magnetic drive with integrated controller. The motor could stir up to 500 liters with a speed of 100-1.000 R/PM.

Black Forest Container Systems, LLC located in Greenville, SC, founded in 2000, is the leading distributor in North America of closed loop custom equipment and multi-trip stainless steel packaging systems. Their product offerings include stainless steel containers, intermediate bulk containers, mini-bulks, totes, ASME pressure vessels, process tanks, storage tanks, flasks, bottles, fermentation tanks, wine making equipment, bag in box and process drums. In addition, Black Forest Resources, LLC the sister company of BFCS, offers a container leasing program. The rental fleet consists of high-quality intermediate bulk containers (IBC's), totes, portable tanks, mini-bulks and small volume chemical and general-purpose containers for the agriculture, chemical, cosmetic, food, industrial and pharmaceutical industries.
