Aseptic Pharma Vessels & Bottles from Black Forest Container Systems, LLC

Greenville, SC, April 2021: Aseptic Pharma Vessels and Bottles are used for the sterile production and packaging of active ingredients and drugs. The Pharmaceutical and Life Sciences industries, Biotech companies and health care contract manufacturers trust on the GMP-compliant sterile design that guarantees maximum safety for people, product, and environment.

“Our years of experience working in many markets offering stainless steel packaging, allows us to offer leading edge products to the Pharmaceutical Industry with this line of Aseptic Pharma Vessels and Bottles”. said Tom Leftwich Co-Owner of Black Forest Container Systems., “Our goal is to provide high quality solutions that will be integrated into our customer’s processes while maintaining exceptional product integrity.”

Enhancements include:

- Sizes: 0.5 – 500 Liters
- Range of Applications: Development and Production of APIs, Vaccines, Insulin, Antibiotics, Blood Plasma Products, In-vitro Diagnostics, Immunotherapeutic, Nucleic Acid Products, Molecular Diagnostics
- Design: Material grade T- 316L, seamless & polished welds, electropolished finish, Tri-Clover nozzles allow ease in assembly, FDA compliant gaskets which are chemical and temperature resistant, GMP compliant documentation.
The sterile design excludes cross contamination, minimizes microbial adhesion, avoids dead spots and allows ease in cleaning.
- Developments: mobile trolley of stainless steel with an integrated magnetic drive with integrated controller

Black Forest Container Systems, LLC located in Greenville, SC, founded in 2000, is the leading distributor in North America of closed loop custom equipment and multi-trip stainless steel packaging systems. Their product offerings include stainless steel containers, intermediate bulk containers, mini-bulks, totes, ASME pressure vessels, process tanks, storage tanks, flasks, bottles, fermentation tanks, wine making equipment, bag in box and process drums. In addition, Black Forest Resources, LLC the sister company of BFCS, offers a container leasing program. The rental fleet consists of high-quality intermediate bulk containers (IBC’s), totes, portable tanks, mini-bulks and small volume chemical and general-purpose containers for the agriculture, chemical, cosmetic, food, industrial and pharmaceutical industries.
