

# Black Forest Container Systems

Pharmaceutical / Hygienic / Biotech  
Laboratory – Sampling – Small Batch

**Stainless Steel Bottles, Containers & Pressure Vessels for:  
Hazardous Materials / Fine Chemicals / High Purity Products  
Pharmaceuticals / Aseptic Foods / Cosmetics**

Black Forest Container Systems, LLC offers these unique returnable, reusable vessels for custom and standard applications.

Closure options include metal & plastic screw caps, Tri-clover blind caps or caps configured with diptubes, sample ports & thermowells allowing pressure or pump dispensing of product.

**Black Forest Container Systems, LLC** offers a variety of Pharmaceutical Hygienic Bottles, Containers & Pressure Vessels for storage, process, and biological transport and transfer of precious products and hazardous materials. Many Laboratory Bottle designs are UN/DOT approved

Large sanitary Tri-clover openings allow for easy access to products, and ease of cleaning – liquids, intermediates & solids.
